*No Show Charge will attract a 100% penalty as a service charge, irrespective whether there is a subsequent rebooking or not.

**Cancellation of an award ticket less than one hour prior to departure is a no show and will attract 100% penalty, i.e. 100% of the JPMiles used for the redemption would be treated as a service charge and there will be no refund.

#Note1: In case of cancellation of award ticket, the taxes, surcharges and other fees amount will be refunded to members.

#Note2: Exclusion is entitled to member (self) only and does not extend to the member for whom the transaction is undertaken by some other member. Meaning, the exclusions for the platinum member are for platinum member only and does not extend to other members for whom the platinum member is redeeming miles from his account.

#Note3: Each change will result in a levy of a fee. Meaning, if there is a date and a sector change then the service fee will be a cumulative fee, i.e. the addition of both the fee.
